

G01 - HR Roster and Production/Pilot Access Signoff

Artifact: G01-roster-signoff | Date: 2026-07-02 | Scope: organizational access and HR/sponsor roster basis

Gate action: use this current dated signoff to replace missing historical HR roster signoff for continuation. It requires authorized signatures before it is treated as approved.

Purpose

Formalize the persons/roles allowed to access or approve T-503 production/pilot evidence: admin, staff, agent, finance, legal/privacy and sponsor HR contact. This is not a random roster; it is a controlled access and HR signoff sheet.

Minimum HR roster signoff rule

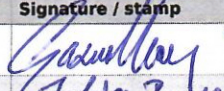

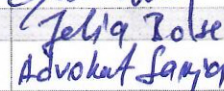

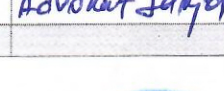

Sponsor HR confirms that the roster/membership persons used for T-503 were part of the BUTEL/BUTEL Pogreben Servis operational membership process for the stated period. Until signed, roster status remains READY_FOR_SIGNATURE, not final approved.

Data handling rule

Member-level data is visible only to assigned operational/legal/finance users. Sponsor users receive aggregate or roster-owner views only. Cross-entity access between BUTEL AD and BUTEL POGREBEN SERVIS is denied unless expressly approved.
