

Interdomestik Mobile UI/UX Static Storyboard Board

MOB Step 3 Storyboard - Pre-Implementation

Artifact	PDF board export for human UI/UX review
Source	docs/product/2026-07-05-mobile-uiux-storyboard-frame-inventory.md
Frame count	43
Boundary	No runtime authority, no Figma approval, no browser behavior proof
Reviewer action	Mark each card pass, pass_with_changes, blocker, or missing_frame

Reviewer pass order: HN/IG crisis trust, EC/TM privacy and offline safety, CP/FM/AC legal and commercial overclaim, HM handler-promise honesty, PDF artifact seriousness and sponsor privacy.

HN Lane - Help Now clarity, country trust, no upsell

6 frame cards. Review all cards and leave reviewer-mark fields blank until human review.

HN-1	Help Now default
PRIMARY USER QUESTION	Can the user act without reading marketing copy?
MAIN SCREEN HIERARCHY	Country, verified date, emergency number area, situation list
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

HN-2	Country detected
PRIMARY USER QUESTION	Is the country assumption visible and correctable?
MAIN SCREEN HIERARCHY	Detected country, confidence, manual change affordance
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

HN-3	Offline
PRIMARY USER QUESTION	Is the offline limit honest without causing panic?
MAIN SCREEN HIERARCHY	Last verified pack, offline limits, emergency-first instruction
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

HN-4	Stale pack
PRIMARY USER QUESTION	Is stale content visibly different from verified content?
MAIN SCREEN HIERARCHY	Refresh need, last verified date, blocked/allowed actions
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

HN-5	Emergency hotfix
PRIMARY USER QUESTION	Would a reviewer catch a wrong-number hotfix before exposure?
MAIN SCREEN HIERARCHY	Updated number, timestamp, source note
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

HN-6	Dark country placeholder
PRIMARY USER QUESTION	Does this read as intentionally not launched yet?
MAIN SCREEN HIERARCHY	Unavailable country copy and no broken-looking empty state
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

IG Lane - Crisis choices, safety boundaries, permissions

5 frame cards. Review all cards and leave reviewer-mark fields blank until human review.

IG-1	Car accident
PRIMARY USER QUESTION	Are steps short enough for roadside use?
MAIN SCREEN HIERARCHY	Triage steps, evidence prompts, police/medical boundary
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

IG-2	Medical or injury
PRIMARY USER QUESTION	Does anything imply medical advice?
MAIN SCREEN HIERARCHY	Emergency-first posture and non-diagnostic language
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

IG-3	Property/home
PRIMARY USER QUESTION	Does it avoid false urgency?
MAIN SCREEN HIERARCHY	Safety, photo evidence, document checklist
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

IG-4	Flight disruption
PRIMARY USER QUESTION	Are deadlines and evidence prompts visible?
MAIN SCREEN HIERARCHY	Timing, evidence capture, airline boundary
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

IG-5	Permission denied
PRIMARY USER QUESTION	Can the user continue without changing settings immediately?
MAIN SCREEN HIERARCHY	Manual fallback and permission recovery
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

EC Lane - Evidence custody, camera fallback, deletion

5 frame cards. Review all cards and leave reviewer-mark fields blank until human review.

EC-1	Camera allowed
PRIMARY USER QUESTION	Does the user know where evidence goes?
MAIN SCREEN HIERARCHY	Capture instruction, local-save note, privacy copy
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

EC-2	Camera denied
PRIMARY USER QUESTION	Can the user continue without granting camera access?
MAIN SCREEN HIERARCHY	Manual upload/notes fallback
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

EC-3	Low light
PRIMARY USER QUESTION	Is weak evidence clearly marked without shaming the user?
MAIN SCREEN HIERARCHY	Quality warning and recapture guidance
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

EC-4	Saved locally
PRIMARY USER QUESTION	Is local custody understandable?
MAIN SCREEN HIERARCHY	Local-only state, sync limits, delete path
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

EC-5	Delete confirmation
PRIMARY USER QUESTION	Is destructive action unmistakable?
MAIN SCREEN HIERARCHY	Consequence, cancel, confirm
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

TM Lane - Offline readiness, stale packs, integrity fail

6 frame cards. Review all cards and leave reviewer-mark fields blank until human review.

TM-1	Download ready
PRIMARY USER QUESTION	Is the value clear without sounding like a subscription pitch?
MAIN SCREEN HIERARCHY	Country pack, size, verified date
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

TM-2	Downloading
PRIMARY USER QUESTION	Does progress avoid false readiness?
MAIN SCREEN HIERARCHY	Progress, cancel, network/storage status
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

TM-3	Road-ready verified
PRIMARY USER QUESTION	Does readiness feel proven rather than decorative?
MAIN SCREEN HIERARCHY	Pack hash/version, offline availability
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

TM-4	Pack stale
PRIMARY USER QUESTION	Does the design refuse stale guidance when needed?
MAIN SCREEN HIERARCHY	Refresh requirement and unsafe-content boundary
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

TM-5	Storage unavailable
PRIMARY USER QUESTION	Is the failure actionable?
MAIN SCREEN HIERARCHY	What cannot download and how to recover
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

TM-6	Integrity failure
PRIMARY USER QUESTION	Does the design refuse unsafe guidance clearly?
MAIN SCREEN HIERARCHY	Blocked use, retry, support path
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

CP Lane - Claim basis, deadlines, equal-dignity fork

5 frame cards. Review all cards and leave reviewer-mark fields blank until human review.

CP-1	Claim Pack read-back
PRIMARY USER QUESTION	Does preliminary output avoid looking legally final?
MAIN SCREEN HIERARCHY	Basis, summary, human-review boundary
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

CP-2	Deadlines
PRIMARY USER QUESTION	Are timing risks impossible to miss?
MAIN SCREEN HIERARCHY	Dates, source lines, confidence
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

CP-3	Documents needed
PRIMARY USER QUESTION	Can the user see what to gather next?
MAIN SCREEN HIERARCHY	Required/optional evidence and missing items
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

CP-4	Free pack fork
PRIMARY USER QUESTION	Is the unpaid path equally dignified?
MAIN SCREEN HIERARCHY	User keeps package without paid handling
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

CP-5	Handle-it fork
PRIMARY USER QUESTION	Is the sales prompt limited to the approved moment?
MAIN SCREEN HIERARCHY	Paid handling offer, no emergency-context sales pressure
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

FM Lane - Net outcome, loss edge, Memo 1 variants

6 frame cards. Review all cards and leave reviewer-mark fields blank until human review.

FM-1	Three recovery amounts
PRIMARY USER QUESTION	Is user outcome more prominent than platform fee?
MAIN SCREEN HIERARCHY	Low/base/high recovery and member net amount
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

FM-2	Zero recovery
PRIMARY USER QUESTION	Is the loss outcome honest before signature?
MAIN SCREEN HIERARCHY	No recovery, no success fee, any third-party cost caveat
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

FM-3	Member discount
PRIMARY USER QUESTION	Is the discount useful without hiding the fee base?
MAIN SCREEN HIERARCHY	Discounted fee and user receives amount
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

FM-4A	Memo 1 option A
PRIMARY USER QUESTION	Does "recover nothing, pay nothing" remain visibly qualified?
MAIN SCREEN HIERARCHY	Interdomestik absorbs approved expert/court costs on loss
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

FM-4B	Memo 1 option B
PRIMARY USER QUESTION	Is the member's possible loss-side cost impossible to miss?
MAIN SCREEN HIERARCHY	Success fee waived, approved third-party costs member-payable
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

FM-4C	Memo 1 option C
PRIMARY USER QUESTION	Does the cap appear before signature, not after?
MAIN SCREEN HIERARCHY	Cap, above-cap approval, at-risk amount
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

HM Lane - Handler promise honesty, Memo 2 variants

3 frame cards. Review all cards and leave reviewer-mark fields blank until human review.

HM-1A	Memo 2 option A
PRIMARY USER QUESTION	Does the layout support stable handover and absence states?
MAIN SCREEN HIERARCHY	Named handler from launch
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

HM-1B	Memo 2 option B
PRIMARY USER QUESTION	Does no surface imply one stable named person?
MAIN SCREEN HIERARCHY	Case team from launch
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

HM-1C	Memo 2 option C
PRIMARY USER QUESTION	Are branch thresholds copy-ready before runtime?
MAIN SCREEN HIERARCHY	Case team now, branch-earned named-handler later
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

AC Lane - Signing hierarchy, errors, 135% dynamic type

4 frame cards. Review all cards and leave reviewer-mark fields blank until human review.

AC-1	Service agreement
PRIMARY USER QUESTION	Can the member understand the commitment before signing?
MAIN SCREEN HIERARCHY	Service, fee, handler model, document list
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

AC-2	POA/e-sign action
PRIMARY USER QUESTION	Is the signature action visually dominant but not coercive?
MAIN SCREEN HIERARCHY	Signature action, legal copy, disabled/loading states
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

AC-3	Signature error
PRIMARY USER QUESTION	Can the user recover without wondering whether they signed?
MAIN SCREEN HIERARCHY	Retry, support, no duplicate-submit confusion
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

AC-4	135% dynamic type
PRIMARY USER QUESTION	Does the critical hierarchy survive large text?
MAIN SCREEN HIERARCHY	Fee, signature, deadline, emergency/help hierarchy
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

PDF Lane - Filing seriousness and sponsor privacy boundary

3 frame cards. Review all cards and leave reviewer-mark fields blank until human review.

PDF-1	Claim Pack PDF
PRIMARY USER QUESTION	Would a professional forward or file it?
MAIN SCREEN HIERARCHY	Reference, source lines, document checklist
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

PDF-2	Signed pack PDF
PRIMARY USER QUESTION	Is audit evidence clear enough without internal jargon?
MAIN SCREEN HIERARCHY	Signature evidence, policy versions, exhibit manifest
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____

PDF-3	Sponsor aggregate report
PRIMARY USER QUESTION	Does the design reinforce that sponsor case access is blocked?
MAIN SCREEN HIERARCHY	Aggregate-only metrics, no case/member detail
TRUST / LEGAL / DATA BOUNDARY	Country + verified-date line; emergency-first where relevant; human-review boundary; no-sales in Help Now/crisis states; signed/unsigned decision markers; accessible labels.
REVIEWER MARK	pass / pass_with_changes / blocker / missing_frame: _____
NOTES	_____ _____
