

01 - MK Reviewer Appointment And Scope Acceptance

Status: signature template only. This appoints nobody until a real reviewer fills and signs it. It does not authorize runtime exposure.

Country pack: North Macedonia / Makedonia (MK)

This document appoints the professional reviewer(s) for the MK Help Now content pack. It does not approve the content. Approval happens only when the required rows are completed in the later sign-off documents.

A. Reviewer Appointment

Primary reviewer name:

Qualification / license / professional role:

Organization:

Email / phone:

Licensed North Macedonia counsel: yes / no

If no, counsel countersign required: yes / no

Countersign counsel name:

Countersign counsel qualification:

Appointment date:

Target completion date:

B. Scope Accepted

Initial each accepted scope item.

Initials	Scope item
	Emergency numbers and emergency-routing caveats
	Police-report thresholds and European Accident Statement rules
	Green Card, border-insurance, and foreign-plate handling
	Evidence checklist and roadside do/don't wording
	Deadline statements and safe app phrasing
	Unauthorized-practice-of-law / legal-advice boundary
	Macedonian wording review
	Albanian wording review if used in MK pack
	German corridor wording review if used in Trip Mode
	Validity window and hotfix triggers

C. Independence And Limits

Reviewer confirms:

- I will not rely on memory-only validation.
- I will cite dated written sources for factual/legal rows.
- I will identify uncertain items instead of approving them.
- I understand unsigned rows remain dark and cannot ship.
- I understand Interdomestik will not treat this appointment as launch approval.

Reviewer notes / conflicts / limitations:

D. Written Acceptance

I accept the MK Help Now L2 review scope for Interdomestik.

Reviewer signature:

Printed name:

Date:

Counsel countersignature, if required:
