

03 - MK Help Now Content Sign-Off Matrix

Status: L2 sign-off template only. It approves nothing until every required row is completed, corrected if needed, dated, and signed.

Country pack: North Macedonia / Makedonia (MK)

This is the L2 sign-off sheet consumed by future Help Now / Trip Mode gates. A row with **block** or missing signature ships dark.

Pack version/hash:

Content freeze date:

Reviewer:

A. Sign-Off Rows

#	Section	Required proof	Review result	Reviewer initials

B. Corrections Required Before Shipping

List every correction that must be made before the pack can leave dark mode.

Item	Correction required	Owner	Complete date	Reviewer initials

C. Review Decision

Choose one:

- ☐ GO - all rows pass and corrections are complete.
- ☐ GO WITH HOTFIX - minor correction complete and reviewer accepts final text.
- ☐ NO-GO - one or more rows block public exposure.
