

04 - MK Language And EAS Review Certificate

Status: language-review template only. It does not approve legal facts unless the same reviewer is also the signed legal/factual reviewer.

Country pack: North Macedonia / Makedonia (MK)

This certificate proves that the user-facing wording is understandable, respectful, and semantically faithful. It does not approve legal facts unless the reviewer is also the signed legal/factual reviewer.

Pack version/hash:

Language reviewer name:

Qualification / native language basis:

Review date:

A. Languages Reviewed

Language / pairing	Reviewed?	Reviewer initials	Notes
Macedonian (mk)	yes / no		
Albanian (sq) for MK users, if used	yes / no		
German (de) corridor wording, if used	yes / no		
Bilingual EAS de+mk	yes / no		
Bilingual EAS de+sq, if used	yes / no		

B. Review Checks

Initial every passed check.

Initials	Check
	Emergency wording is direct and understandable under stress
	No wording overpromises legal outcome or recovery result
	No translation changes the legal/factual meaning
	EAS field labels preserve official semantics
	“Do not admit fault” style wording is locally safe and not too aggressive
	“Stored on this device only” privacy wording is clear
	The tone is calm, professional, and not marketing-like
	Native speaker says the text sounds natural

C. Corrections

Text location	Current wording	Required correction	Complete?
			yes / no
			yes / no
			yes / no

D. Certificate

Choose one:

- ☐ PASS - wording can proceed to final pack certificate.
- ☐ PASS AFTER CORRECTION - corrections above must be applied first.
- ☐ NO-GO - wording is not ready for public exposure.
